Dear Susan

On behalf of us all - all who came to the service in the village hall on Sunday- I'd like to thank you for a time of inspirational worship. I know that you chatted with several people afterwards, as did I, and it was just wonderful that so many seemed to have been touched in some way during the service. Praise the lord!

Please convey our thanks to all members of the choir and your brilliant accompanist. It would appear that they were not too phased by the last minute changes. We certainly enjoyed meeting them all. You have managed to gather a fine group of people around you - we just loved their friendliness and their enthusiasm for the Lord.

How wonderful it is when groups of people come together as on Sunday to share in worship - we are indeed, brothers and sisters in Christ! We feel sure that the choir will go forward in strength and we wish you well in your endeavours.

It would be good to stay in touch...

In the meantime, again a big thank you from Rev Jim, Jeannie and myself.

Blessings

Julia
